Mr. Howland Wood
American Numismatic Society
156th St. & Broadway
New York, N. Y.

Dear Mr. Wood:

This is to confirm our telephone order for photographs of the current Irish coinage. As I understand it, there are eight face pieces and the back is the same in each case. Therefore, we would need only one of it.

Would you kindly bill us for these as soon as they are ready?

Sincerely yours,

Carl Maas
